FROM OUR ALUMNI

"Strive towards Progress, not Perfection"

"I coordinated Infinito, 2018. Sometimes I feel so lucky that I could be a part of Infinito's first edition that is Infinito'17. I have seen Infinito grow in the past 4 years like a parent sees their child grow. Infinito is a tremendous step towards developing and promoting sports culture not only in IIT Patna but throughout the country as players from all over India participate in Infinito. Infinito is an amazing opportunity for all the sports enthusiasts to show their talent and passion for sports because Infinito believes that 'There is no life without a sport and fitness is one of our basic needs'. I know Infinito will continue to encourage and give a platform to the entire nation. I wish that Infinito reaches new heights and I believe that one day, I will proudly say that I was the Fest Coordinator of India's biggest Sports Festival 'Infinito'. I was a part of Infinito, I am a part of infinito and I will be a part of infinito."

It was an honour for me to be part of Infinito'19. The enthusiasm and motivation of all the participants filled me with nostalgia as I remembered the day when I first represented India on an international level. It was truly a spectacular event and I hope that it continues to reach new heights with every edition.
